DANIEL DEMERW

SOFTWARE ENGINEER

Dear Hiring Manager

I am writing to express my interest in the software engineering position at your company. With your company's reputation for innovation, professionalism, and a results-oriented approach, I am confident that my skills and experience would make me a valuable addition to your team. I am eager to learn more about your company and the opportunities available, and I have attached my resume for your review.

With 2 years of experience in software development and project management, I am confident that my technical expertise and problem-solving abilities will be an asset to your company. As outlined in my resume, I have a proven track record of accomplishments in the field, and I am excited about the possibility of contributing to your organization.

I look forward to the opportunity to discuss how my experience aligns with your company's needs. I will follow up in the coming week to arrange a convenient time to speak further. In the meantime, feel free to reach me at +251967287536 or demerwdani@gmail.com if you have any questions.

Thank you for your time and consideration. I look forward to speaking with you soon.

Yours Sincerely,

daniel demerw
